As a volunteer working for Idaho Single Track Alliance, I hereby waive, covenant not to sue, and agree to hold harmless ISTA and any of its members from any liability or damage to me or my property, and to any other person or property, in connection with any outing or activity in which I might participate. I understand and hereby acknowledge that the activity of trail work involves inherently dangerous activities, and I hereby assume ALL risk in relation to activities while participating in or on any outing or COMMON ADVENTURE activity with ISTA. I understand, and I am aware, that ISTA activities are led by trained volunteers but not professional trail builders at times. If, at the sole discretion of the group, ride or activity leader or coordinator, my behavior is deemed to be dangerous to myself or others, I may be asked to leave the trip or activity, and I understand and agree that any cost incurred to return home is my responsibility and at my sole expense. This waiver, covenant not to sue, and agreement to hold harmless Idaho Single Track Alliance shall be binding upon my heirs and representatives.

By signing below, I agree 100% to this release and will not hold Idaho Single Track Alliance, known as ISTA, liable for any reason during our common adventure outings or activities.
